Discover your outdoor potential with Vogue Pergolas!

Made in Australia, Vogue Pergolas are market leaders in innovative design of all types of shade structures. Our unique pergolas are custom designed and fully engineered to cater for all homes, businesses, schools and industrial purposes.

With a large range of designs and colours to choose from and with the help of our expert design team located Australia wide, you too can "Discover your outdoor potential" with Vogue Pergolas. Get in touch with your nearest design manager either through the website or on our national phone number 1300 723 849 to arrange a free quote.

Every structure is custom designed and fully engineered.

Flame retardancy: (DIN 4102 B1).

Australian made using both Australian and high quality imported materials.

Powder coating provides resistance to corrosion, chipping and scratching.

UV protected and treated PVC covers created inhouse.

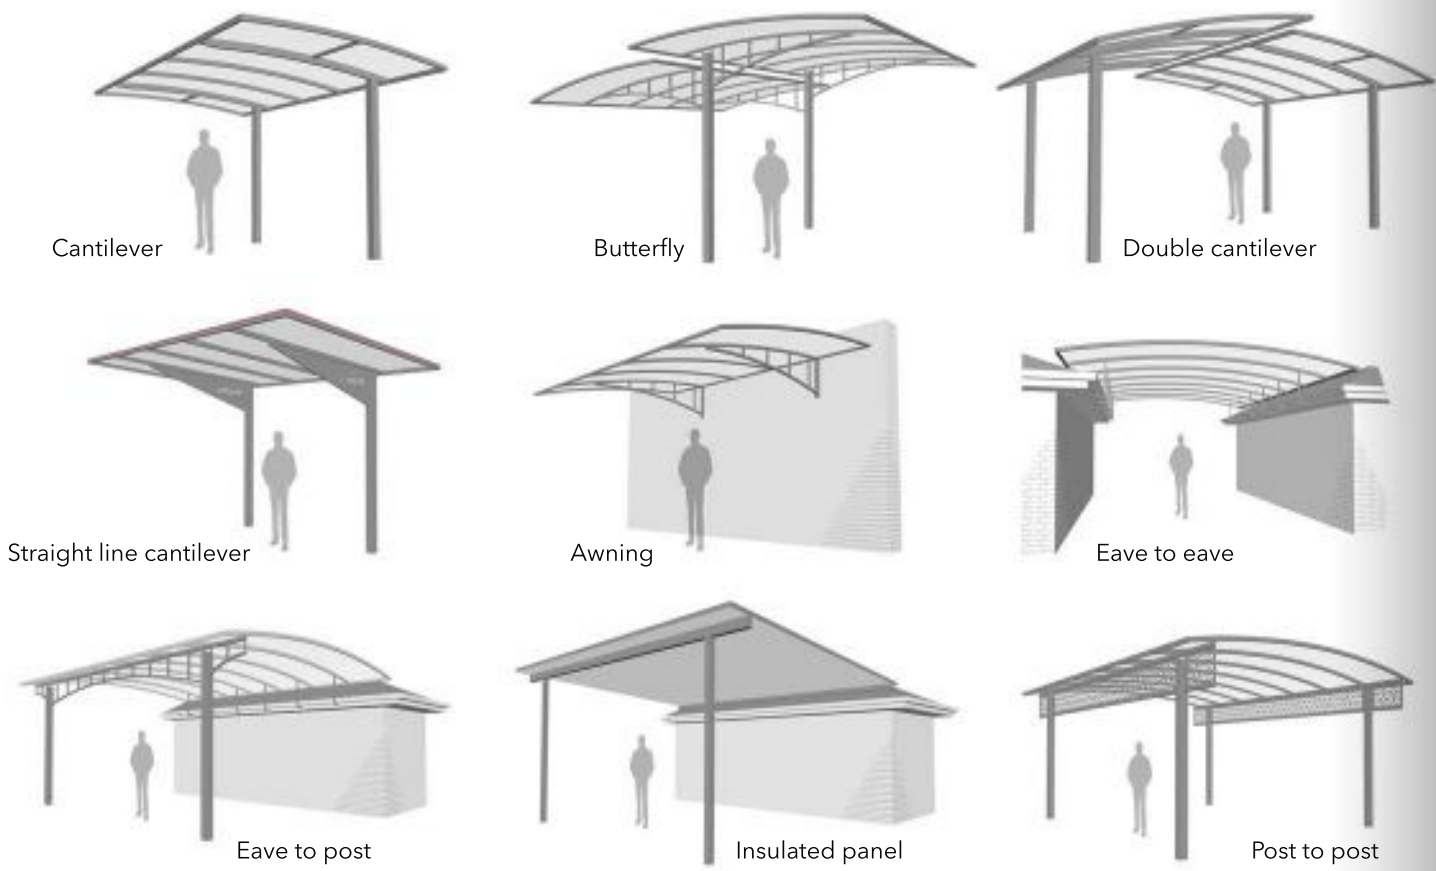

10 year guarantee on covers. *See our website for terms and conditions.

"Vogue pergolas were fantastic in helping us to work out exactly what would suit our needs and our budget. Service was always friendly and the installation was done in the time frame provided and with absolutely no fuss at all. Highly recommend."

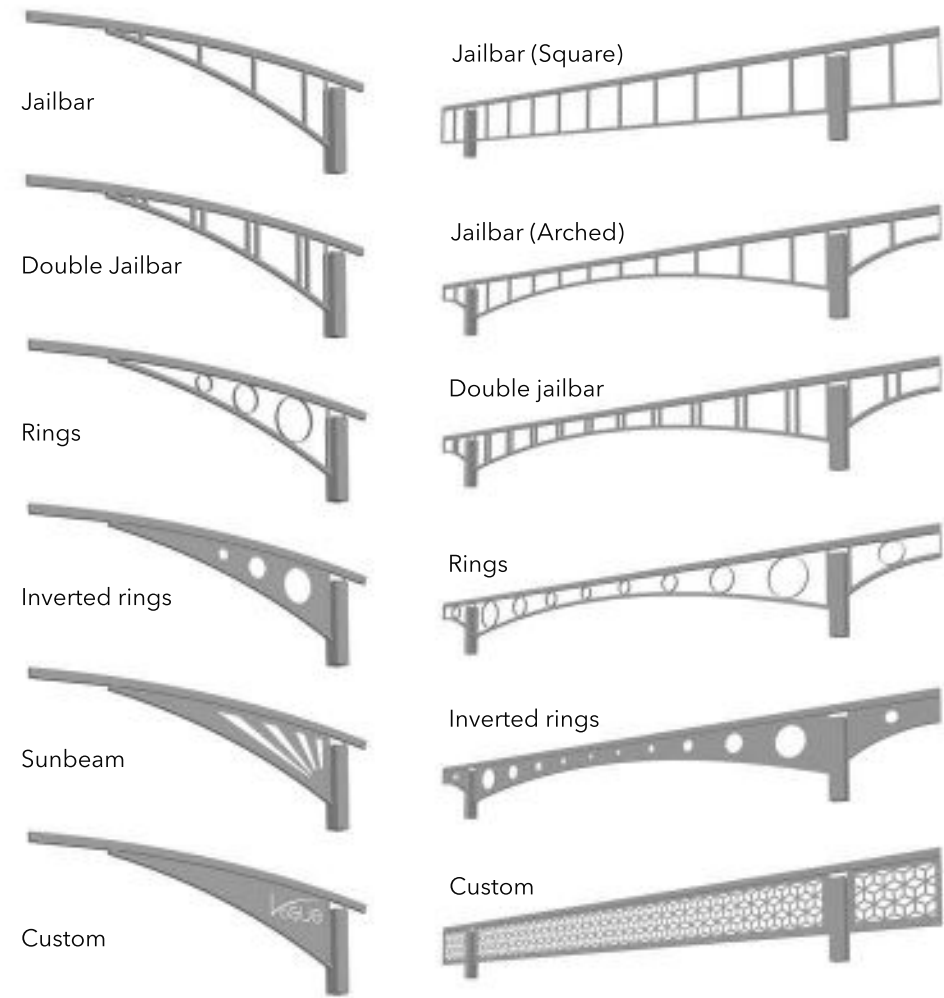

Tamara Cain, Canberra
